

# ALL ABOUT *training* DOGS

## LovebugsRescue

### WHAT WILL THE 20-MINUTE TRAINING SESSION INCLUDE?

Each 20 minutes training session will begin with how dogs learn so pet parents can start to problem solve right away. It will also include a mini training lesson and a demonstration with the dog.

### WHO SHOULD SIGN UP?

Pet parents that need help with getting their dog to listen, stop chewing on furniture, jumping on people, learning to sit, lie down or stay, etc.

**NOTE:** Due to time constrains we will not be addressing fear, aggression or anxiety issues at this event, however, we will gladly come out to your home to work on those issues. Feel free to contact All About Training Dogs anytime.
